☁ TenantCloud

1. **Download the TenantCloud App.**

2. **Connect your account to the Landlord Account by sending an invitation to**

   <u>jared@lifeandproperty.com</u>.

Connect with your landlord

Get connected
You're currently not connected with any landlord.
Invite your landlord to connect on TenantCloud.
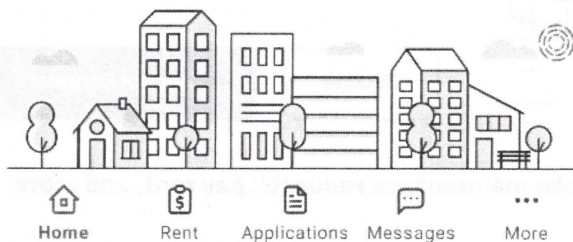

[Send an Invitation]

⟨ **Connection**

Connection Request

Tell your landlord you're using **TenantCloud**. We'll send them an email invite to join you and share the lease.
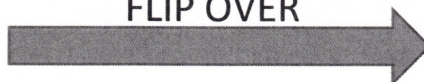

Email*
jared@lifeandproperty.com

The system will notify the landlord, prompting them to connect with you. Afterward, you'll need to wait for a connection request from the landlord and accept it to establish the connection.
